

## Cecil College and Salisbury University

### Associate Degree in Social Work to Bachelor Degree in Social Work

**Requirements:** Graduates of the Cecil College program who have completed the Associate of Arts in Social Work degree with a cumulative grade point average of 2.0 or higher will automatically be granted admission to Salisbury University as a social work major. In compliance with the Council on Social Work Education's accreditation requirements, a student's admission to the social work professional program is a separate process which occurs during the fall of the student's junior year and requires a 2.5 grade point average.

- Students must earn a "C" or better for courses to be transferred per the transfer matrix below
- Students should complete the admissions application to Salisbury University following the third semester of their associate degree program.
