120 Credits Needed for Graduation		60	60

Per APUS' Junior Advantage policy, students with a conferred associate or bachelor's degree from a regionally or nationally accredited will receive at least 60 semester hours of credit in eligible bachelor's program to effectively satisfy all General Education requirements and some/all General Elective requirements (excluding Required). Some students who transfer a conferred Associate of Applied Science (AAS) OR Associate of Applied Business (AAB) degree are not eligible.

^Credit mapped toward the General Concentration. Other available concentrations for this program: 1) Air Cargo, 2) Reverse Logistics Management

*Credit variances in academic placement and credit award can occur based on student course selections and APUS' program requirements.

**Any transferable course not used to fulfill General Education or Major/Concentration requirements may be taken. Please note remedial/developmental and vocational credit is not transferrable.

Note: In order to transfer courses to APUS, the student must earn a grade of "C" or better.
