Always With Love: Tatiana Bell
February 3 - March 15, 2024
Reception: Saturday, February 3, 6:00 - 8:00 p.m.

Applying techniques from a variety of artistic backgrounds, Tatiana Bell explores the dichotomy of the expectations of being a woman and actually living in Western society as a woman. Many of the contrasting messages are expressed through nature, symbolism and color choices.

Alumni Spotlight: Stephanie Schaub
March 25 - May 24, 2024
Reception: Friday, April 19, 6:00 - 8:00 p.m.

Stephanie Schaub creates handmade jewelry that embodies the whimsy of this world and beyond, combining silver, crystal, and glass. Since her senior thesis collection, Stephanie has been combining metals with other mediums and materials that are soft and delicate juxtaposed with the hardness of metal. This collection will continue with that theme while also touching on some nostalgic notes by using real, foraged seashells and ocean specimens, setting them into fine metals and turning them into intricate and technical wearable art.
