Own Your Future 

Message from the President

Welcome to Cecil College, an exciting place to be. Our college invites you to become a part of the dynamic and diverse Cecil College community. Whether you are looking to obtain a degree, transfer to a four-year institution, update or expand your job skills or take a course for fun, our faculty and staff are here for you.

Cecil College’s faculty and staff are dedicated to preparing you for a bright future and providing you with the resources to excel throughout your learning experience. Cecil College is a place to participate in new activities, gain life experience, meet new friends, and begin work in your field of study. You will find your experiences at the College rewarding, and memorable. Connect with the College community and participate in numerous engaging and enriching student experiences offered each semester. Visit Student Life and discover the opportunities that are available.

I look forward to interacting with you on campus.

President of Cecil College

It is the policy of Cecil College to not discriminate against any individual by reason of race, color, sex, marital status, citizenship, national or ethnic origin, age, religion, sexual orientation, or disability. Please refer to the College catalog for the complete and detailed Nondiscrimination Statement.

The College requires individuals who have been convicted of a felony and/or who have registered as a sex offender, and who are seeking enrollment at the College, to disclose the conviction and/or sex offender registration status to the Office of Public Safety. Notification must be made at least 5 days prior to the class or activity start date. Notification should be emailed to [safety@cecil.edu](mailto:safety@cecil.edu) and include name, address, date of birth, phone number, email address, and the name of the program or activity being pursued. Status does not automatically disqualify a student from taking classes and will be considered by the College along with the age of the student at the time of any aspect of the criminal history occurred, time elapsed since criminal history occurred, nature of the criminal history, evidence of rehabilitation or good conduct, and the safety and security of members of the campus community and campus assets.

# Getting Started at CECIL COLLEGE

## 1 Complete the Admissions Application

Apply online at [www.cecil.edu](http://www.cecil.edu)

**It's FREE to apply!**

Cecil College is an open-enrollment community college, so join us as you start your academic journey.

## 2 Apply for Financial Aid

Complete the FAFSA at [www.studentaid.gov](http://www.studentaid.gov)

**We can help!**

Contact the Financial Aid Office with any FAFSA questions. Visit [www.cecil.edu/FinAid](http://www.cecil.edu/FinAid), email [finaid@cecil.edu](mailto:finaid@cecil.edu), or call 410-287-1003

## 3 Contact the Admissions Office

Email [admissions@cecil.edu](mailto:admissions@cecil.edu) or call the admissions office at 410-287-1006 to learn more about your next steps.

## ACADEMICS AND ATHLETICS: A perfect combination

Interested in supplementing your academics with participation in one of our nine NJCAA-sponsored athletic teams?

As a student-athlete at Cecil College, our commitment to you is academic excellence in addition to success on the playing field/court. Nowhere is that commitment more evident than through the numerous academic accolades awarded to Seahawk athletes, including:

- NJCAA All-Academic
- NJCAA Region 20 Academic Honors
- Maryland JUCO Academic Awards
- Cecil College President's and Dean's Lists
- Graduation Keynote Speaker

**BECOME A SEAHAWK!**

Learn more at [www.cecilathletics.com](http://www.cecilathletics.com).

**Explore all programs of  
study at [cecil.edu](http://cecil.edu) today!**

All information regarding Spring 2024 offerings is subject to change.

# REGISTER FOR

## Spring 2024 CLASSES!

To our Community,

In order to provide the most accurate course listing for Spring 2024, we are providing the list of all course offerings at [www.cecil.edu/courses](http://www.cecil.edu/courses), in lieu of listing them in this brochure.

The Admissions, Registration, Advising, and Financial Aid staff are available to help you. There are many ways to contact us for assistance!

### NEW STUDENTS:

For students who need to enroll at Cecil College, please call our Admissions representatives at 410-287-1006 or visit the home page of [www.cecil.edu](http://www.cecil.edu) and use our convenient live chat feature during regular hours.

### RETURNING STUDENTS:

To speak with your Advisor about your course schedule, you can call 410-287-1600, email [advising@cecil.edu](mailto:advising@cecil.edu) or use our convenient live chat feature located on the Advising page of [www.my.cecil.edu](http://www.my.cecil.edu). Use your student credentials to log in.

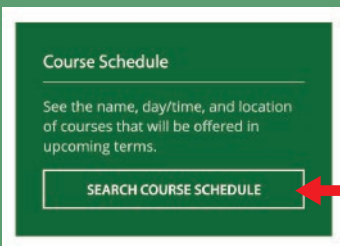

To reach Registration, you can call 410-287-1600 or email [registration@cecil.edu](mailto:registration@cecil.edu).

### FINANCIAL AID:

To reach Financial Aid, you can call 410-287-1003, email [finaid@cecil.edu](mailto:finaid@cecil.edu) or use our convenient live chat feature located on the Financial Aid page of [www.cecil.edu](http://www.cecil.edu).

## HOW TO SEARCH FOR SPRING 2024 COURSES

1

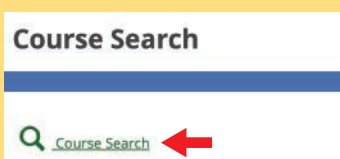

Go to [cecil.edu/courses](http://cecil.edu/courses)

Click on **Search Course Schedule**

2

Click on **Course Search**

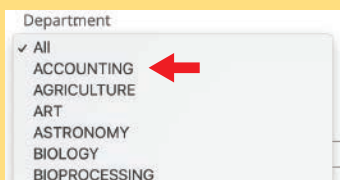

3

Click on the **Term** dropdown menu  
Choose **Spring Credit 2024**

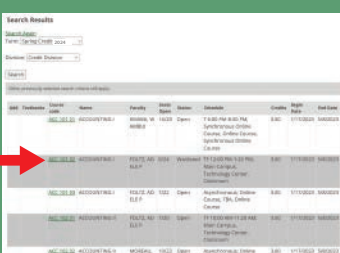

Click on the **Department** dropdown menu

4

Choose a **Department Area** then click **Search** at the bottom of the page

5

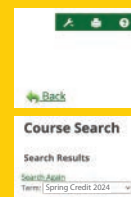

A list of classes will appear.

Click the **course section** to display details including how and when the class meets, the name of the instructor, as well as the course description.

You can quickly return to search results by clicking **Back** at the upper right of the page.

From there click on **Search Again** to start a new course search.

# ADMISSIONS AT CECIL

## Higher education can begin or continue when the time is right for you.

We are here to help you get started. Whether you are interested in attending Cecil College during or after high school or returning to school later in your career, we can help with:

- How to apply
- Financial aid and scholarship opportunities
- Transfer opportunities (transfer in, transfer out)
- Degree and certificate opportunities and requirements
- Early start options for high school students

Contact us today at 410-287-1006 or email [admissions@cecil.edu](mailto:admissions@cecil.edu). You may also visit the homepage at [www.cecil.edu](http://www.cecil.edu), use our convenient live chat feature during regular hours, or schedule an individual virtual session with an Admissions counselor.

## OPEN HOUSE

*Join us and experience all that Cecil College has to offer!*

**THURSDAY, NOVEMBER 16, 5:00 - 7:00 P.M.**

North East Campus, Technology Center, Room 208

- Meet with Cecil College faculty and staff
- Learn about student life, scholarships, athletics and student services
- Attend a financial aid workshop
- Cecil swag giveaways and refreshments

**Visit [cecil.edu/events](http://cecil.edu/events) for more information.**

“As a Cecil art student, I was able to design my future. The faculty are great, and they help you succeed. I definitely recommend Cecil College.”

**Stacia W., '23**

Interactive Motion and Design  
Cecil College, '23

## PAYING FOR COLLEGE

***“Maryland Community College students save about 60% compared to students who attend a public, 4-year college.”\****

At Cecil College, we pride ourselves on providing affordable, quality education as you invest in your future. If you’ve thought about going to college but didn’t think you could find room in your budget, be sure to take a look at what we have to offer.

### PAYING FOR COLLEGE AT CECIL.EDU

Take advantage of the resources in our Paying for College section of [cecil.edu](http://cecil.edu)!

- Tuition, Fees and Payments
- Scholarships and Financial Aid
- Frequently Asked Questions
- Cost Calculator

Visit [www.cecil.edu/paying-for-college](http://www.cecil.edu/paying-for-college) today!

**If you are wondering whether you can afford college this year,  
we are here for you!**

Contact Admissions for information regarding tuition, financial aid and scholarships at 410-287-1006 or email [admissions@cecil.edu](mailto:admissions@cecil.edu). You may also visit the homepage at [cecil.edu](http://cecil.edu), use our convenient live chat feature during regular hours, or schedule an individual session with an Admissions counselor.

CECIL COLLEGE  
FOUNDATION

## SCHOLARSHIPS

The Cecil College Foundation provides scholarships to recent high school graduates as well as adult students. All current and future students of Cecil College are encouraged to apply for these scholarships.

### APPLYING IS EASY

- Apply online at [cecil.edu/scholarships](http://cecil.edu/scholarships)
- Simply submit one online application to apply for all Foundation scholarships

### PROSPECTIVE STUDENTS

If you are a prospective student who has not gone through the admissions process, you can complete the admissions application online or contact the Admissions Office to apply to Cecil College and obtain your username and password necessary to apply for scholarships.

### CURRENT STUDENTS

If you are a current student, but don’t know your credentials, please contact the college help desk for password assistance at [helpdesk@cecil.edu](mailto:helpdesk@cecil.edu) or 410-287-4357.

Already have a Cecil College username and password? Apply for Foundation scholarships at [cecil.edu/scholarships](http://cecil.edu/scholarships).

### APPLICATION DEADLINE

The deadline to submit your scholarship application is April 30. After you have submitted your application, you will be notified via College email of any award and next steps. Be sure to check your student email often.

View Frequently Asked Questions at [cecil.edu/scholarships](http://cecil.edu/scholarships)  
For additional information, contact [foundation@cecil.edu](mailto:foundation@cecil.edu) or 410-287-1053.

## START HERE, TRANSFER THERE

### Save money your first two years by earning your associate degree at Cecil College!

Cecil College has numerous transfer and articulation agreements with colleges and universities in Maryland and border states. Articulation agreements provide the opportunity for students to enter into program-to-program transfer agreements, or course-to-course equivalencies, with partnering institutions.

#### Transfer & Articulation Agreements

The College has entered into several formalized articulation agreements with four-year institutions throughout the state of Maryland and the region, including:

American Public University	St. Mary's College of Maryland
Delaware Valley University	Stevenson University
Franklin University	Strayer University
Frostburg State University	Thomas Jefferson University
The George Washington University	Towson University
Lincoln University	University of Delaware
Moore College of Art & Design	University of Maryland (UMD)
Neumann University	University of Maryland, Baltimore County (UMBC)
Penn State Harrisburg	Washington College
Pennsylvania College of Art & Design	Wilmington University
Salisbury University	York College of Pennsylvania
Southern New Hampshire University	

Cecil College provides transfer information designed to assist students in making an easy transition into a four-year baccalaureate institution. All students are encouraged to meet with their academic advisors to determine the appropriate program of study and course selection for transfer.

Whether transferring coursework to Cecil College or transferring your completed degree or certificate to a four-year institution, transfer is a viable option to help meet your educational goals. For more information, contact Cecil College Advising at [advising@cecil.edu](mailto:advising@cecil.edu) or 410-287-1600.

"I would recommend Cecil College to anyone. The instructors are excellent to work with and the small class sizes make for better connections with students and instructors."

**Matt R.**  
Engineering  
Cecil College, '23  
UMBC, '25

## ACADEMIC SUPPORT @ CECIL COLLEGE

*Your academic success is our number one priority. As a student at Cecil College, you have access to free academic support and tutoring.*

### ACADEMIC SUCCESS CENTER

The Academic Success Center located on the North East campus provides free tutoring for students in math, reading and writing as related to courses offered at Cecil College.

#### MATH TUTORING

Free online and in-person tutoring. While no appointment is necessary for in-person math tutoring, students in advanced classes are encouraged to call ahead to assure a tutor skilled in a particular area is available. Online tutoring is available by appointment.

#### READING AND WRITING TUTORING

Free online and in-person support in the areas of reading and writing is available to all Cecil College students. Students are encouraged to take advantage of this resource as part of their writing process. To learn more about in-person and online tutoring, and for instructions for setting up appointments, visit the Online Writing Lab in Blackboard.

**For full information, visit [cecil.edu/AcademicSupport](http://cecil.edu/AcademicSupport).**

### STUDENT COMPUTER CENTER

Cecil College has Student Computer Centers on the North East campus and at Elkton Station. The centers are open to all students and feature PC and Mac platforms.

The Student Computer Center on the North East campus provides students with the ability copy and print their work from a Xerox copier and features a large Cleartouch screen for collaboration projects allowing students to work on the big screen. The Center can also be used for group studies.

### ADDITIONAL TUTORING ENGINEERING AND SCIENCE

Tutors are available for various science, engineering, and technology classes virtually via email or Microsoft Teams as well as in-person.

### ACCOUNTING

Tutoring is available online and/or in-person.

*Tutoring is available for many disciplines upon request.*

---

For more information, contact Admissions at  
[admissions@cecil.edu](mailto:admissions@cecil.edu) or 410-287-1006.

# ENGINEERING

Do you like to design things and problem solve? Do math and science come easily to you? If you're interested in a well-paying career that applies the principles of science and math to develop cost-effective solutions to technical problems, Cecil College's engineering transfer program may be ideal for you.

The Engineering program option prepares students to transfer to a four-year institution for continued study in engineering. Most entry-level engineering jobs require a bachelor's degree. Your Cecil College education will prepare you to transfer to four-year colleges and universities to complete your degree.

## DEGREE PROGRAMS

- Electrical Engineering (Associate of Science in Engineering)
- Engineering with Areas of Concentration (Associate of Science)
  - aerospace, chemical, civil, computer, mechanical, and engineering science

## CERTIFICATE PROGRAMS

- Manufacturing Technician
- Pre-Engineering

## 4-YEAR ONSITE TRANSFER OPPORTUNITY

Frostburg State University has partnered with Cecil College to offer a collaborative 2+2 Bachelor of Science degree in Engineering, Materials Engineering concentration, on Cecil College's North East campus. Earn your associate and bachelor's degree without leaving our campus!

## ADDITIONAL TRANSFER OPPORTUNITIES

Cecil College has an articulation agreement with the University of Delaware in civil engineering. In addition, recent undergraduate students have progressed to a variety of institutions including, University of Maryland Baltimore County (UMBC), University of Maryland, Towson University, Frostburg State University, and University of Delaware.

## PATHWAY OPPORTUNITY

Are you seeking the beginning knowledge and skill set to work in the field of manufacturing in just 17 credit hours? Earn your Manufacturing Technician Certificate! Continue your studies beyond that by entering the Associate in Engineering program with opportunities for transfer to a Bachelor's degree program, all on our North East campus!

***Explore our programs today!***

Learn more at  
[cecil.edu/engineering](http://cecil.edu/engineering)

# BUSINESS & MANAGEMENT

A business degree from Cecil College prepares you with the fundamental business practices on which to build a career and puts you on track for a leadership role. Earning an associate degree in business management can improve your job prospects and overall earning potential.

For more information about programs in business, visit [cecil.edu](http://cecil.edu).

To apply, contact Admissions at [admissions@cecil.edu](mailto:admissions@cecil.edu) or 410-287-1006.

***Explore our programs today!***

Learn more at [cecil.edu/management](http://cecil.edu/management)

## **BUSINESS & MANAGEMENT**

Business is among the most popular fields of study among undergraduates due to being one of America's most profitable and fastest growing career fields. The program is designed for students who seek to acquire a complete framework in basic business concepts and skills in order to analyze and create solutions for modern day business problems. Students will acquire the knowledge and skills to apply management, marketing and accounting concepts to improve operational performance within their chosen field. The major emphasis in this program is placed on analytical and marketable skills.

### **DEGREE PROGRAMS**

- Accounting
- Digital Commerce
- Hospitality Management
- Management
- Marketing
- Sports Management
- Supply Chain Management
- Transportation Logistics Management

### **CERTIFICATE PROGRAMS**

- Management
- Hospitality Management

### **PATHWAY OPPORTUNITY**

Are you already working in this field and seeking to quickly upskill? Earn your Hospitality Management Certificate! Continue your studies by entering the Associate in Management program with opportunities to transfer for a Bachelor's degree.

Turn that passion for athletics into a career!

## SPORTS MANAGEMENT DEGREE

Turn that passion for athletics into a career, and you might feel like you never work a day in your life! Cecil College has launched a new Sports Management program that can kick-off your career in the world of athletics. A degree in Sports Management can lead to being an athletic director, sports information director, promotions and events coordinator, marketer, and sales manager.

Cecil College's program is designed for students who seek to acquire a complete framework of business concepts and skills directly related to sports management.

### TRANSFER AGREEMENTS

Cecil College's sports management program also prepares students to take the next step in their education with articulation agreements with four-year institutions such as Southern New Hampshire University, which offers bachelor's and master's degree programs in sports management. Want to stay local? Many four-year universities in Maryland offer bachelor's degree programs in sports management.

For more information about this program, visit [cecil.edu/sportsmanagement](https://cecil.edu/sportsmanagement) or contact Admissions at [admissions@cecil.edu](mailto:admissions@cecil.edu), live chat at [cecil.edu](https://cecil.edu) or call 410-287-1006.

## EXERCISE SCIENCE DEGREE

Exercise science will give you the tools to understand the role of exercise in health and performance. Learn why some athletes are faster than others, as well as why certain people adapt to exercises differently. Answers to these questions and more are the foundation of your education and opportunities in exercise science. In this program, you'll focus on human body systems, exercise and business principles as they pertain to fitness. In addition, you will receive hands-on experience, including use of state-of-the-art equipment at our campus Fitness Center and other local partners.

For more information about this program, visit [cecil.edu](https://cecil.edu) or contact Admissions at [admissions@cecil.edu](mailto:admissions@cecil.edu), live chat at [cecil.edu](https://cecil.edu) or call 410-287-1006.

Search for Spring 2024 courses  
at [cecil.edu/courses](https://cecil.edu/courses).

# BIOPRODUCTION

Bioproduction is a new, state-of-the art program that uses living cells to produce desired products. Career opportunities abound in this emerging industry, including pharmaceutical (vaccine production), food and drink industry (craft brewing), agriculture (improved cropped quality), biofabrication industry (high-tech clothing), and bioremediation (environmental cleanup) opportunities.

This dynamic, interdisciplinary field incorporates aspects of biology, engineering, and chemistry and incorporates many technologies including, but not limited to: cell culture, protein production and analysis, upstream and downstream processing, laboratory analysis using spectroscopy, chromatography, microbiology, and biotechnology. Students will learn these techniques both on campus in Cecil's state-of-the-art laboratories as well as during their last semester off-campus internship that immerses them in the field of bioproduction.

## DEGREE PROGRAM

- Bioproduction (Associate of Applied Science)

## Related Certificate Program in Biological Sciences

- Biological Laboratory Skills

## PATHWAY OPPORTUNITY

Are you looking to learn entry-level skills in this industry in just 18 credit hours? Earn your Biological Laboratory Skills Certificate! Continue to upskill in this field by progressing to the Associate in Bioproduction program with opportunities to transfer to a Bachelor's degree program.

Learn more at [cecil.edu/stem](https://cecil.edu/stem)

**Enroll today!**

# PHYSICAL THERAPIST ASSISTANT

Are you interested in science, health and physical fitness? Do you enjoy problem solving and helping others overcome challenges? If so, pursuing a degree as a physical therapist assistant (PTA) might be right for you.

The Physical Therapist Assistant program at Cecil College provides a foundation for graduates to become highly skilled in providing patient services using physical therapy techniques under the supervision and direction of a licensed physical therapist in clinics, hospitals, and many other health care settings.

## WHY CECIL COLLEGE?

- The Cecil College PTA Program offers excellent instruction by content experts in a state-of-the-art lab setting.
- Accelerated program! Only four technical semesters.
- Program graduates receive an Associate of Applied Science Degree and are fully prepared to take the National Licensing Exam.

## Learn from our experienced instructors who prepare you for success.

Cecil College PTA graduating classes earned a 100% first-time pass rate on the National Physical Therapy Examination (NPTE) licensure exam for the years 2016, 2017, 2018, 2019, 2020, and 2023. (source: <https://www.fsbpt.org/>)

**Hear what our students and alumni have to say!**  
**Visit [cecil.edu/pta](https://cecil.edu/pta).**

For more information, contact Admissions at [admissions@cecil.edu](mailto:admissions@cecil.edu) or 410-287-1006.

*The Physical Therapist Assistant Program at Cecil College is accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE), 3030 Potomac Ave. Suite 100, Alexandria, Virginia 22305-3085; telephone: 703-706-3245; email: [accreditation@apta.org](mailto:accreditation@apta.org); website: <http://www.capteonline.org>.*

## BECOME A LEADER IN THE EVER-EVOLVING WORLD OF HEALTHCARE

The healthcare field has seen an increase in job openings over the past several years, and Cecil College is committed to providing educational pathways that lead directly to employment and/or earning a degree. Cecil College offers associate degrees and certificates in a wide variety of healthcare professions.

### ASSOCIATE DEGREES

Our degree options provide the foundation you need to begin your rewarding career in the health professions.

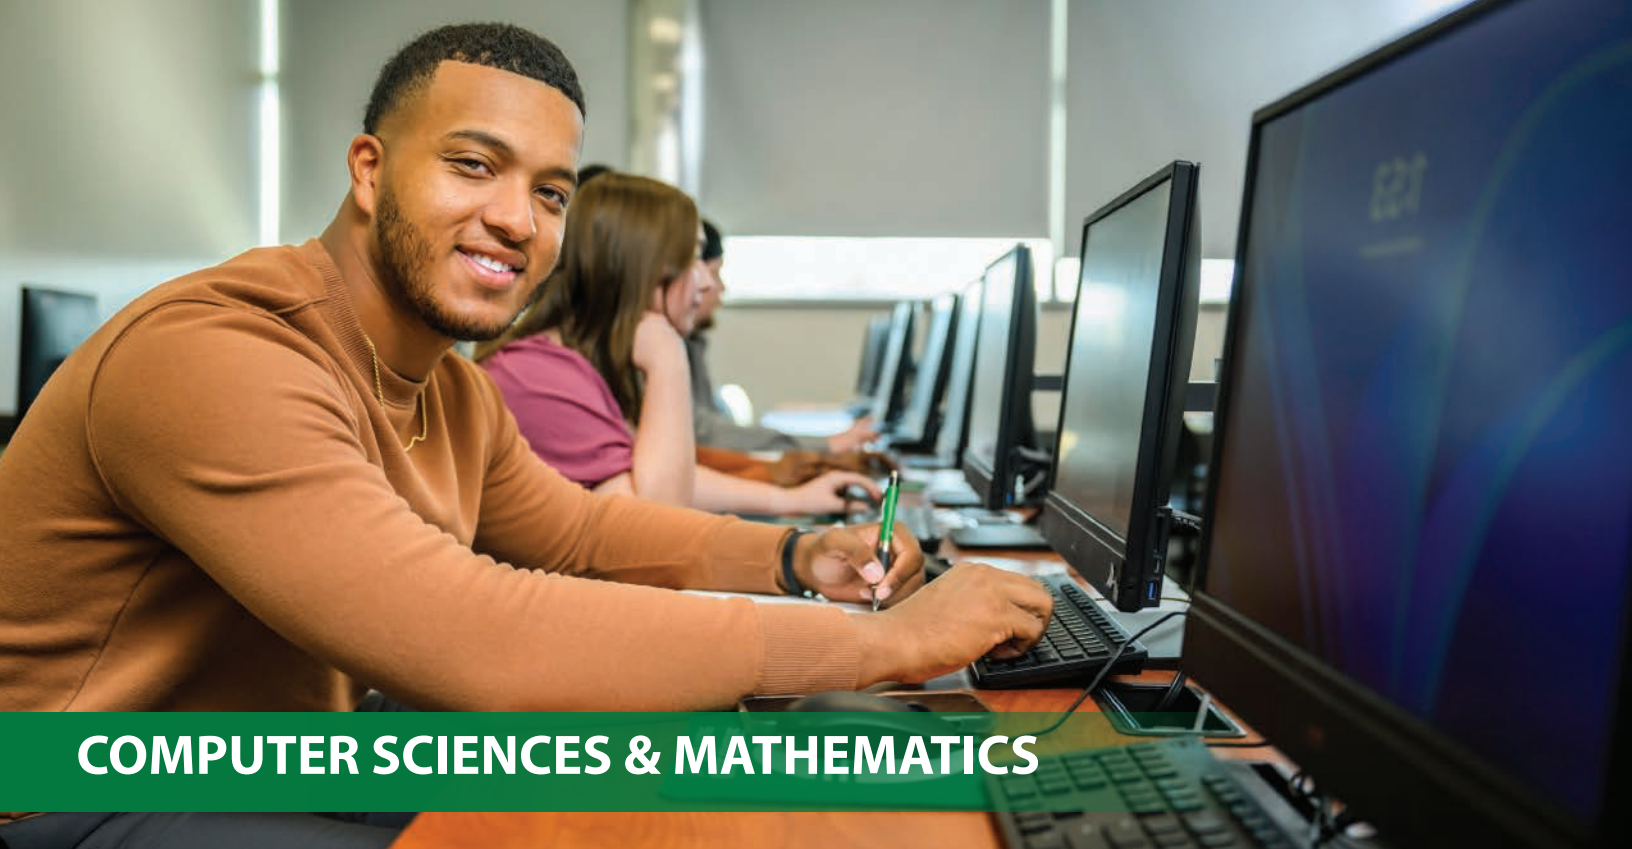

- Exercise Science
- Healthcare Sciences
- Nursing
- Paramedic
- Physical Therapist Assistant
- Public Health

### CERTIFICATES

Cecil's certificate programs are designed for those who seek to start, advance, or enhance their career through certification in a healthcare field of interest.

- Healthcare Sciences
- Licensed Practical Nurse
- Personal Trainer/Fitness Manager
- Public Health

Through a unique collaboration across several community colleges in Maryland, Cecil College students have access to several degree programs that are not currently offered at Cecil College, including Massage Therapy, Nuclear Medicine Technology, and Respiratory Therapy. Learn more today at [cecil.edu/mea](https://cecil.edu/mea).

## COMPUTER SCIENCES & MATHEMATICS

### COMPUTER SCIENCES

Cecil College's computer science curriculum provides the student with a solid foundation in computer science fundamentals, computer programming languages, game design and development. At Cecil College, hands-on learning opportunities are provided in computer labs using state-of-the-art hardware and software. In addition, students build important soft skills such as interpersonal communications, problem-solving, team-building, and project management.

An associate degree in computer science provides the opportunity to start a professional career in an entry-level position after graduation, with the added ability to transfer to a bachelor's degree program in the future.

#### DEGREE PROGRAMS

- Computer Science (Associate of Science)
- Computer Science - Programming (Associate of Applied Science)

#### CERTIFICATE PROGRAM

- Programming

### MATHEMATICS

If you are analytical and a problem-solver, mathematics may be right for you. Mathematics is a field that can lead to a variety of careers including mathematician, statistician, data analyst, actuary, and more.

#### DEGREE PROGRAMS

- Mathematics (Associate of Science)
- Data Science (Associate of Science)

For more information, contact Admissions at [admissions@cecil.edu](mailto:admissions@cecil.edu), 410-287-1006, or live chat with us at [www.cecil.edu](http://www.cecil.edu) during office hours.

### NEW DATA SCIENCE DEGREE

The Data Science program offers students an introduction to the field of data science, including the processing, manipulation, analysis, interpretation, and ethical use of data. Specifically, this program focuses on the mathematical and computer science-related aspects of the field. Students will be positioned to transfer to a four-year program or entry-level positions in the industry.

In this program, students will learn to:

- Apply mathematical and statistical principles to analyze data.
- Utilize relevant software to manipulate and analyze data.
- Interpret and communicate results obtained from data analysis.
- Discuss the ethical collection and use of data.

Learn more at  
[cecil.edu/datascience](http://cecil.edu/datascience).

### EXPERIENCE THE ARTS AT CECIL COLLEGE

*If you're interested in the arts, there's no better place to explore your creativity than Cecil College.*

Students develop creative and technical skills using state-of-the-art studios and learn from faculty who are practicing artists and experts in their fields. Internship opportunities are available for students looking to gain experience in the arts and industry. Our philosophy is that students achieve their best when developing creative, analytical and technical skills simultaneously.
