

Cecil College and Wilmington University

Associate of Arts in Early Childhood Education to Bachelor of Science in Early Care & Education (Birth to Grade 2)

Admissions:

Cecil Students who intend to complete the associate degree at Cecil College are guaranteed admission benefits when transferring to one of the eligible bachelor's degrees.

Requirements:

- Students currently enrolled or have already completed a Cecil College degree.
- Enroll in one of the following eligible bachelor's degrees at WilmU
 - a. Bachelor of Science in Early Care & Education (Birth to Grade 2)
 - b. Bachelor of Science in Elementary Education (K-6)
 - c. Bachelor of Science in Middle Level Education
- Submit an official Cecil transcript with degree conferral to WilmU and from all previous institutions. Completion of additional forms may be required for some majors or by enrollment status.

Benefits:

- Guaranteed admissions to WilmU.
- WilmU Application fee waiver.
- Early access to a WilmU recruiter, admissions associate, and/or academic advisor 100% online or at WilmU location.
- Program-to-program course maps from a Cecil associate degree through the eligible WilmU bachelor's degree.
- Ability to enroll at both Cecil and WilmU concurrently.
- Opportunity to complete select graduate courses as part of an undergraduate degree at the undergraduate per credit tuition.

Important Notes

1. WilmU has a credit residency policy of 30 credits. Therefore, additional credits beyond the associate degree requirements can be completed at Cecil College. However, certificate and Dual Credit Advantage options are available at Wilmington University for students with elective space. Students should discuss their options with an advisor.
2. Cecil Students can maximize transfer credits by completing additional courses from the following options at Cecil College:
 - a. POS 201, American Government; for POL 300 American Politics.
3. These courses require pre-service teachers to enter the field for clinical coursework. The Office of Clinical Studies coordinates all fieldwork or clinical placements. Candidates are not allowed to make or coordinate their own placements by contacting districts, school principals, or teachers. Candidates wishing to register for a Practicum course in the Fall (September) MUST complete the Practicum Placement Application in TaskStream by February 1st. Candidates wishing to register for a Practicum course in Spring (January), MUST complete the Practicum Placement Application in TaskStream by August 1st.
4. Dual Credit Advantage options allow students to enroll in some graduate coursework that can count toward both the undergraduate and graduate degree. Students must meet the appropriate GPA and other pre-requirements and should discuss the option with an advisor prior to enrolling.
