

Own Your Future

CECIL COLLEGE

Continuing Education and Workforce Development

SPRING 2024

WELCOME TO
Continuing Education and Workforce Development

Whether you're looking to reinvent yourself or to just have fun, the continuing education programs at Cecil College will help you shape your future and change your life. At Cecil, you can learn it today, and live it tomorrow!

Adult Education

We can help you obtain your GED or gain skills to get the job you want. We also offer ESOL classes for students who are learning English as a second language.

Lifelong Learning

It's time to look into something fun and educational for you. Our classes are designed for adults of every age and interest.

Transportation Training

Earn a commercial driver's license, obtain a Maryland state driver's license, or just improve your existing driving skills with our transportation training classes.

Workforce Training

Continuing Education and Workforce Development offers a full range of programs to help you start a new career, advance your career, or own your own business.

Youth & Homeschool

We have something for every child, year-round.

Explore the Possibilities

We want you to find yourself at Cecil College, where you have endless possibilities for enriching your life and those of your loved ones. No matter your age or interest, explore all that we have to offer.

Course Delivery Formats

Continuing Education and Workforce Development is offering a variety of course delivery types allowing scheduling flexibility.

In-person - Classes that meet on campus or at locations throughout the community.

Hybrid (H) - Classes that meet in-person periodically with some coursework offered online.

Online/Asynchronous (Online-A) - Online classes with little or no designated meeting days/times, allowing you to study at your convenience.

Online/Synchronous (Online-S) - Online classes that meet virtually with your instructor and classmates on a regularly occurring day/time, allowing for a highly engaging, interactive experience.

Please see page 38 for a list of location codes for in-person and hybrid classes.

It is the policy of Cecil College to not discriminate against any individual by reason of race, color, sex, marital status, citizenship, national or ethnic origin, age, religion, sexual orientation, or disability. Please refer to the College catalog at cecil.edu/catalog for the complete and detailed Nondiscrimination Statement.

The College requires individuals who have been convicted of a felony and/or who have registered as a sex offender, and who are seeking enrollment at the College, to disclose the conviction and/or sex offender registration status to the Office of Public Safety. Notification must be made at least 5 days prior to the class or activity start date. Notification should be emailed to safety@cecil.edu and include name, address, date of birth, phone number, email address, and the name of the program or activity being pursued. Status does not automatically disqualify a student from taking classes and will be considered by the College along with the age of the student at the time of any aspect of the criminal history occurred, time elapsed since criminal history occurred, nature of the criminal history, evidence of rehabilitation or good conduct, and the safety and security of members of the campus community and campus assets.

GEDskills+

Build the foundation for your career in the skilled trades.

Integrated Education Training Program - TUITION-FREE!

Jumpstart your career with this “three-for-free” education opportunity, available while funds last:

- earn your GED to increase your job prospects.
- learn basic construction skills to expand your job opportunities and skill set.
- gain valuable “soft skills” that enhance your employability, including resume building and interviewing tips.

Find out more today by contacting Carolyn Fletcher at 443-907-1391.

The Integrated Education Training program is supported by grant funding from Maryland Department of Labor.

**Course work includes Adult Basic Education/GED® Preparation, NCCER Basic Construction, and soft skills training.*

Veteran & Service Member Resources

Cecil College is a member of the State of Maryland's College Collaboration for Student Veterans. Every effort is made to ensure the educational success of our returning Veterans, including their recruitment, successful transition to higher education, retention and eventual completion.

A resource center is available through the financial aid office and provides student veteran information related to college and VA resources.

For more information, call 410-287-1003.

HEALTHCARE CAREERS @CECIL COLLEGE

Own Your Future!

Cecil College offers programs to prepare you for the following certifications:

- **Certified Medical Administrative Assistant (NHA)**
- **Certified Medical Assistant (AAMA)**
- **Certified Medicine Aide**
- **Certified Nursing Assistant (MBON)**
- **Certified Phlebotomy Technician (NHA)**
- **Certified Professional Coder (AAPC)**
- **Emergency Medical Technician (EMT)**
- **Nationally Registered Paramedic (NREMT)**

Program Requirements

- High School Diploma/GED
- Minimum 18 years of age
- Health profile (proof of current immunizations, medical insurance, and Physician's clearance)
- Completion of a background check and drug screen through an approved vendor
- American Heart Association BLS Provider certification (CPR/AED)

For more information, visit cecil.edu/hc, email healthcarecareers@cecil.edu, or call LuAnn Williams at 443-674-1542.

cecil.edu/hc

Medical Assistant Program

Medical assistants work alongside physicians, mainly in outpatient care facilities, such as medical offices and clinics. Medical assistants are cross-trained to perform administrative and clinical duties.

Employment of medical assistants is projected to grow much faster than the average for all occupations, according to the United States Bureau of Labor Statistics.*

Cecil College's program prepares students for national certification. Upon successful completion of the program, the student will sit for the AAMA exam to become a Certified Medical Assistant (CMA).

ENROLL NOW Classes Start in January

See Page 6

For more information visit cecil.edu/hc or call 443-674-1542.

Scholarships and financial aid may be available to those who qualify.

Pathway to an Associate of Science in Healthcare Sciences

Students who have successfully passed the American Association of Medical Assistants (AAMA) national certification exam (CMA) or the AAPC national certification exam (CPC) may be able to receive 12 credits through credential assessment.

MEDICAL CODING
Physician Professional Coder Program

Medical coders are healthcare professionals in charge of processing patient treatment records and related insurance information into a code used within the healthcare industry.

Medical billing and coding professionals work in a wide variety of settings, including:

- Physicians' offices
- Hospitals
- Medical billing services
- Ambulatory centers
- Insurance companies

Cecil College's program prepares you for national certification.

- Certified Professional Coder (AAPC)

MEDICINE AIDE

Geriatric Nursing Assistants working in Maryland long-term care facilities have a unique opportunity for advancement by becoming a Certified Medicine Aide. Certified Medicine Aides dispense medications under the direction of a registered nurse.

This program provides training and in-class laboratory practice relating to the techniques, principles and procedures for safe administration of certain medications.

Medicine Aide Program Requirements

- Current Maryland CNA/GNA license
- One year of full-time employment as a GNA in a Maryland Facility
- Letter of recommendation from current employer

CONSTRUCTION, HVAC/R, WELDING

Cecil College has partnered with the National Center for Construction Education & Research (NCCER) to offer standardized construction and maintenance curriculum and assessments with portable credentials in construction, HVAC/R, and welding.

BASIC ELECTRICAL

COMING SPRING 2024!

Basic Electrical is an introductory program covering the basics of residential wiring and the National Electrical Code and the basics of electrical theory, tools, and systems. Learn to design and install modern and safe residential wiring systems that meet the electrical power demands of today's world.

Email skills4u@cecil.edu today for more information!

HVAC/R

NCCER HVAC/R – Level I

The HVAC/R program will provide the basic knowledge and skills to become a qualified, entry-level employee in the HVAC industry. Upon successful completion of the program, students will earn Certificate of Completion for NCCER HVAC – Level 1, NCCER wallet card, and their credentials entered in the NCCER Registry. Students will also have the opportunity to take the EPA608 Certification exam at the end of the program.

NCCER HVAC/R – Module II

Pre-requisites: WTC 200, WVR 160.

10 sessions, 30 hours, \$514

Course #: WVR 161

Sec#	Day	Dates	Times	Location
01*	M/W	12/18-1/31	6-9p	CCST

HVAC/R APPRENTICESHIP

EARN while you LEARN

Prepare yourself for a career in the HVAC/R trade!

Cecil College and Heating and Air Conditioning Contractors of Maryland offer a Maryland state-approved four-year HVAC/R Apprenticeship program. Upon successful completion of this four-year program, students will be able to earn their HVAC/R journey-person license from the Maryland Department of Labor without taking the exam.

HVAC/R Apprenticeship – Year One

The first year of the HVAC/R Apprenticeship program combines both classroom instruction and on-the-job training.

HVAC/R Apprenticeship – Year Two

Year Two topics include: fundamentals of brazing and soldering, electric motors, wiring and testing, HVAC controls, advanced refrigeration and pipe fitting, and communication skills. Note: Student must have already taken Year One of the program or tested out of Year One if they have prior experience or education in the HVAC/R field.

Complete an application today through the Heating and Air Conditioning Contractors of Maryland at haccmd.org.

PROGRAM BEGINS IN SEPTEMBER

Classes are held at Cecil County School of Technology.

For more information, email skills4u@cecil.edu or call 443-907-1416.

For more information, email skills4u@cecil.edu or call 443-907-1416.

HEAVY EQUIPMENT OPERATIONS

In Heavy Equipment Operations, students will learn safety, identification, and basic operational techniques of heavy equipment such as dozers, loaders, scrapers and graders. Students will be taught the skills and gain the knowledge required to understand the conditions and markings of the job site, and the responsibilities of the heavy equipment operator. They will also be taught how to calculate the areas, volumes, cut, and fill requirements for a job, along with interpreting roadway and construction site drawings.

Classes include:

- Introduction to Heavy Equipment Operations
- Heavy Equipment Operator – Site Work and Grading
- Heavy Equipment Operator – Enhanced Site Work & Soils
- Excavation Math & Interpreting Civil Drawings

Heavy Equipment Operations – Enhanced Site Work and Soils

10 sessions, 30 hours, \$860

Course #: WTC 155

Sec#	Day	Dates	Times	Location
01	T/Th	1/23-2/22	6-9p	HCC

Heavy Equipment Operations – Excavation Math/Civil Drawings

13 sessions, 40 hours, \$860

Course #: WTC 157

ENVIRONMENTAL, HEALTH, AND SAFETY TRAINING

Ultraviolet Disinfection

In this course, operations personnel will discuss the advantages of ultraviolet disinfection systems compared to typical chemical disinfection systems like chlorine or ozone. Course topics will include: how UV is used for controlling giardia and cryptosporidium in potable waters; defining UV; how it differs from other oxidizer-based disinfection systems including the disadvantages; and why UV is a low-cost choice for installation, operation, and maintenance. The student will benefit by reviewing the appropriate applications in community and non-community potable waters and wastewater systems.

GED® & ACADEMIC PREPARATION

Academic Prep helps you:

- Prepare for the GED® and take the GED Ready® Examination
- Improve your reading skills
- Brush up on basic math
- Strengthen writing skills for education or employment
- Enhance your job skills
- Prepare a resume
- Gain computer skills
- Prepare for credit courses

Programs Offered

- ABE – Adult Basic Education
- GED® – General Education Development
- ESOL – English for Speakers of Other Languages
- Transition to Credit
- Project Literacy

Class & Program Information

- Books and materials are provided to use in the classroom
- Classes are self-paced and convenient
- Instructors work closely with students
- Online instruction available

Class Times and Locations

You will have options based on your assessment level and classroom space availability. You must be 18 years of age or older and officially withdrawn from school to enroll.

- Morning and evening ABE and GED® classes at Elkton Station
- Morning and evening ABE/GED® classes at Family Education Center
- Evening ABE/GED® classes in the community at North East Middle School, Perryville Middle School and Rising Sun Middle School.

Winter: January 23 - March 28

Online Courses

If you are a self-motivated, independent learner with access to the internet, you may be eligible for an online class.

If you have questions or you want to enroll in one of our classes, please contact Carolyn Fletcher at 443-907-1391.

The Adult Education Program is supported by grant funding from Maryland Department of Labor, Division of Workforce Development and Adult Learning and the U.S. Department of Education.

GED Ready® Examination

The GED Ready® test is given the first Friday of every month and by appointment. You must pre-register by calling Carolyn Fletcher at 443-907-1391. The cost is \$5.00 per subject or \$20.00 for the entire test. Results are immediate and you will get feedback on what you need to study to prepare for the actual GED®.

GED® State Examination

The GED® State examination will be given on a computer at Cecil College's Pearson-Vue testing center at the North East Campus for a fee of \$14.25 per test. To learn how to schedule testing, please contact Carolyn Fletcher at 443-907-1391 or Debra Stevens at 443-907-1397. Information is also available online at www.dllr.maryland.gov/gedmd or www.GED.com.

GEDskills+ Training Program - TUITION-FREE!

Jumpstart your career with a unique "three-for-free" education opportunity available while funds last. See page 3.

Transition: Become a Credit Student

This course is designed for GED and high school graduates who wish to smoothly transition to college. It is an intensive course consisting of three modules, including preparing for college writing, preparing for college mathematics, and navigating college – campus, student, and technological resources.

20 sessions, 40 hours, \$120, Course #: AAB 300

ENGLISH FOR SPEAKERS OF OTHER LANGUAGES (ESOL)

ESOL classes focus on improving the speaking, reading, and writing skills of students who are learning English as a second language. Basic classes are grant funded, multi-level classes covering all aspects of English skills. Advanced courses address specific skills and are designed for foreign students who assess at high intermediate or advanced level.

BASIC

Morning classes meet Mondays and Wednesdays from 9:00 - 11:30 a.m.; evening classes meet on Mondays and Wednesdays from 7:00 - 9:00 p.m. at Elkton Station, Room 329.

Morning

- January 22 - March 27

Evening

- January 8 - April 3

Cost: \$20.00 course fee for beginning and intermediate students; \$30.00 tuition and \$20.00 course fee for advanced level students. Level is determined by interview and/or placement.

ADVANCED

English for Better Communication

This course is designed for students who can speak and understand English but who want to improve their skills. This course is also recommended for ESOL students who plan to take credit or non-credit courses. Textbook required.

CRAFTS

Lavender and Rosemary Wreath

Learn how rosemary and lavender improve the mind, body and spirit. Students will make a wreath of rosemary and lavender. Notes: No senior tuition waiver. Also offered as youth courses YES696 and YHS696. Instructor: Stubbs

1 session, 2 hours, \$29

Course #: GAC696

Sec#	Day	Dates	Times	Location
01	S	6/8	10a-12p	SSHF

GLASS AND JEWELRY

Basic Wire Wrapping

What is wire wrapping? Artists will take wire and wrap it around itself and/or beads and other components to create jewelry. Wire wrapping lets you create custom shapes and angles, and gives you more ways to use different components together. Students will complete several pieces of wire wrapped components to create their own jewelry. Notes: No senior tuition waiver. All materials will be provided by instructor. Supply fee of \$10 will be collected by instructor. Instructor: Hunter

2 sessions, 4 hours, \$25

Course #: GAC287

Sec#	Day	Dates	Times	Location
03	T	2/6-2/13	9:30-11:30a	ES 217
04	T	3/19-3/26	9:30-11:30a	ES 217

Wire and Fiber

Students will learn to use Bohemian style art beads, fabric, yarn, thread, beads, and wire to create their own jewelry.

Once the beads are complete students will design and complete a piece of jewelry to take home. Notes: No senior tuition waiver. All materials will be provided by instructor. Supply fee of \$10 will be collected by instructor.

Instructor: Hunter

2 sessions, 4 hours, \$25

Course #: GAC288

Sec#	Day	Dates	Times	Location
03	T	2/20-2/27	9:30-11:30a	ES 217
04	T	4/2-4/9	9:30-11:30a	ES 217

Bracelet Basics

Students will learn to design several types of bracelets, ranging from easy to more advance like a wire wrapped bangle. Students will use various materials to create one-of-a-kind wearable art jewelry as a beautiful keepsake or as a gift. Students will take home several completed pieces. Notes: No senior tuition waiver. All materials will be provided by instructor. Supply fee of \$10 will be collected by instructor. Instructor: Hunter

2 sessions, 4 hours, \$25

Course #: GAC286

FINANCIAL PLANNING

Estate and Financial Planning

Have you ever noticed that friends and relatives who have their financial affairs in order live less stressful lives? This course is designed to enable students to learn about the concepts and skills needed for effective estate and financial planning. Students will learn how to maximize retirement income, lower investment risk, and minimize tax burden. Course will cover leaving retirement assets to heirs, reading investment statements, and understanding bond and equity funds. Topics include reliable planning tools, wills, trusts, estates, Power of Attorney, and the latest developments in tax and trust laws. Note: Class is co-instructed by a Certified Financial Planner and CPA specializing in retirement income planning.

Instructor: Albidress

The Age of Renaissance

Following the fall of Rome and subsequent languishing of the dark ages, a cultural awakening occurred in the 14th century city-states of the Italian peninsula. The renaissance set in motion dramatic change. The arts flourished while merchants and bankers became leading citizens. Florence and Venice became extremely wealthy. Join us as we explore the renaissance.

PROJECT LITERACY

Become a volunteer and help an adult gain the joy of reading. Cecil County Project Literacy makes a difference by offering free, confidential one-on-one tutoring to teach adults basic reading and writing skills. Each student works with a trained volunteer and receives books free of charge.

Help spread the word! Tell someone you know about this program if you suspect he/she has limited reading ability, or contact Carolyn Fletcher at 443-907-1391 to arrange for a speaker to address your organization.

Attend volunteer tutor training. Learn the skills to become a volunteer tutor for Project Literacy. Topics include characteristics of adult learners, The Laubach Way to Reading, and methods of teaching reading such as the language experience approach.

The next training days are

Wednesdays, February 28, March 6 and 13 from 6:00 to 9:00 p.m.

For more information, contact Carolyn Fletcher at 443-907-1391.

The King is Coming: The Last Days

Course is designed to teach students of events of the "last days" and the Second Coming of Jesus Christ, as foretold in the Bible. Topics include these elements of Christ's return: The Rapture of the Church; The Judgment Seat of Christ; The Marriage of the Lamb; The Seven Sealed Book; The Tribulation; The Second Coming of Christ; The Millennium; The Revolt of Satan; The Great White Throne Judgment; The Destruction of the Present Earth and Heavens; and The New Creation of Heaven and Earth. Instructor: Mehosky

6 sessions, 12 hours

HOLISTIC & HEALTHY LIVING

Breaking down the Tarot

When reading Tarot, intuition can be just as important as knowing the book meanings of the cards. We'll look at easy ways to break down the cards, such as suits and numbering, to easily learn and dive into divination. We'll also look at spreads and how to make connections between the cards by doing practice readings. This class is geared towards beginners, but is good for all levels of readers. Note: No senior tuition waiver. Instructor: Miller

1 session, 2 hours, \$25

Course #: GWE395

Sec#	Day	Dates	Times	Location
03	S	2/17	10-12p	ES 325
04	S	4/6	10-12p	ES 325

Tarot Easter Eggs

The Rider Waite Smith Tarot relies on detailed imagery to help seekers in divination. Within that imagery are layers of symbols and concepts that add to the card's meaning. A tiny snail, two different shoes, references to Shakespeare, and even the artist's friend's cat, have all slipped their way into the deck. Knowing these extra details can help you connect even more with the cards. All levels of Tarot experience can explore these interesting and often quirky details. Note: No senior tuition waiver. Instructor: Miller

1 session, 1 hour, \$10

Course #: GWE396

Sec#	Day	Dates	Times	Location
03	S	2/17	1-2p	ES 325
04	S	4/6	1-2p	ES 325

Tarot – the Next Level

Take your readings to the next level and improve your working knowledge of the tarot. We'll take a look at how astrology works with the cards and how it can give insight on timing and situations. And we'll dive into yes/no readings, general archetypes of the cards, how to make existing spreads work for you, and how to clarify cards in spreads. This class is suitable for readers with a basic working knowledge of the tarot. Please bring a Rider Waite Smith based deck. Note: No senior tuition waiver. Instructor: Miller

1 session, 2 hours, \$25

Learning the Lenormand Oracle

The Lenormand Oracle is an amazing system of divination that is more straightforward than the tarot, yet allows for insightful answers to everyday questions. We'll review the 36-card system and its symbolism, then dive in to start interpreting the cards using several techniques that allow for a layered reading of the cards. If you've been looking for a new tool to add to your magical toolbox, this is a good one. Note: No senior tuition waiver. Instructor: Miller

1 session, 1.5 hours, \$15

Choosing and Using Oracle Decks

Oracle decks are a great tool to tap into your intuition. There are so many decks out there, and they can often be used without any prior knowledge of card systems. In this class we'll discuss how to narrow down your options to find the oracle deck that works for you, how to use them, and how to even incorporate them into larger card spreads with different decks.

Note: No senior tuition waiver. Instructor: Miller

Energy Immersion + Reiki 1

Inside each of us is a treasure chest of tremendous and infinite energetic resources fueled by Life Force Energy. When our energy is low, we tend to feel sick, worn out, and stressed. When it is flowing high, we are healthy and live abundantly. Together, we will experience tapping into Life Force for our highest Good. We will also work with the Japanese technique to spiritually guide Life Force Energy, called Reiki. Reiki is a peaceful and harmonizing, yet powerful, practice that is an easy compliment to everything from healthier beginnings to life transformation and conventional medicine. Reiki promotes optimum internal communication, stress release, pain reduction, and healing. Note: No senior tuition waiver. Instructor: Maring

THE TWELFTH ANNUAL

MIND, BODY & SPIRIT FESTIVAL

A day for renewal of energies and learning about holistic methods for healing and relaxation.

JANUARY 19 - 20, 2024

Elkton Station, Cecil College

Snow Dates - January 26 - 27, 2024

Friday, January 19

6:00 p.m. - 9:00 p.m.

Early entrance to see the vendors and shop!

Saturday, January 20

9:00 a.m. - 5:00 p.m.

New vendors and workshops will be running and available all day.

Free festival totes!

For more information, see page 39.

HOME & GARDEN

Growing Culinary Herbs for a Patio or Garden

Growing an herb garden is a rewarding and efficient way to grow fresh herbs. Choose herbs that you often use in cooking, or those that are hard to find in stores. Learn how to plant a container garden for your patio. Consider growing herbs to help keep bugs and pests away. Select herbs which are good companion plants with your vegetable garden. Discover how to choose the right herbal plants to create your special garden or enhance your patio area. Notes: Several plants are provided for the students. No senior tuition waiver. Instructor: Stubbs

1 session, 2 hours, \$29

Lemon Herbs to Grow and Cook

Lemony herbs can be grown in nearly every climate region except the coldest. Grow these herbs in the garden from spring through summer, or grow indoors, year-round. Lemon-flavored and scented herbs include lemon thyme, lemon basil, lemon mint, lemon verbena, lemon balm, lemongrass, and lemon bergamot. Lemon-flavored herbs are popular for teas and cooking recipes; in addition to their pleasing fragrance, most lemon-scented herbs have therapeutic properties and can be used as organic cleaning products. Join us to explore the seven lemon herbs and their various uses. Notes: Several plants are provided for the students. No senior tuition waiver.

The Value of Learning Cursive Writing

Cursive writing activates brain regions linked to language, thought, and working memory, paving the way for improved reading comprehension, problem-solving abilities, and critical thinking skills. Cursive writing sets the stage for a vibrant showcase of personality and originality. Each individual's distinct cursive style is an authentic representation of their essence, capturing their creative spirit and personal flair. Some benefits of cursive include it trains the brain to learn functional specialization, it improves memory, and it improves fine motors skills, meaning that students who have illegible print, often have legible cursive handwriting. The value of cursive writing endures, ensuring that this art form will continue to enrich lives for years to come. Notes: Practice books are included. No senior tuition waiver. Corresponds to youth courses YES/YHS704. Instructor: Stubbs

WRITING

The Value of Learning Cursive Writing

Studies reveal that when we scribble elegant loops and swirls on paper, our brain works in a unique way. Unlike printing or typing, cursive writing activates brain regions linked to language, thought, and working memory, paving the way for improved reading comprehension, problem-solving abilities, and critical thinking skills. Cursive writing sets the stage for a vibrant showcase of personality and originality. Each individual's distinct cursive style is an authentic representation of their essence, capturing their creative spirit and personal flair. Some benefits of cursive include it trains the brain to learn functional specialization, it improves memory, and it improves fine motors skills, meaning that students who have illegible print, often have legible cursive handwriting. The value of cursive writing endures, ensuring that this art form will continue to enrich lives for years to come. Notes: Practice books are included. Notes: Ages 7-15. Corresponds to personal enrichment course GH704. Instructor: Stubbs

1 session, 2 hours, \$29

LEARN MORE TODAY!
cecil.edu/summercamps

For more information, email learning4life@cecil.edu or call 443-907-1378.

To register, call 410-287-1078, option 6 today!

PLEASE NOTE:

All tuition and fees are paid at the time of registration.

Questions?

Please call 410-287-1078 (option 6).

Every effort is made to honor the schedule herein; however, circumstances may require the alteration or cancellation of courses, seminars, or programs. Cecil College reserves the right to modify the schedule as is deemed necessary with regard to courses offered, instructor assignments, location, tuition, course and materials fees.

Forms of Payment

Payments for registration may be made by cash (exact cash only at Elkton Station, no change provided), check, or money order (payable to Cecil College), VISA, MasterCard, or Discover (account number and expiration date). Post-dated checks are not accepted. If your check is returned from the bank, the College will not re-deposit your check and a \$36 fee will be added to your account. A \$36 fee will be added to your account if your credit card is denied or invalid. Payments for returned checks and fees must be submitted only in the form of cash, money order, or cashier's check. Stop payment on a check does not officially withdraw you from a class.

Registration Confirmation

We do not process registration confirmations. Please attend class on the date and time indicated in this course schedule unless you are otherwise notified.

Refund/Drop Policy

To receive a full refund for dropping a course, you must contact the Registration Office at least 24 hours prior to the first class meeting. If you do not officially drop from a class or if you fail to attend, you are responsible for all tuition and fees associated with the registration.

Cancellation Policy

Cecil College reserves the right to cancel classes when there is insufficient enrollment. When classes are canceled, every effort will be made to contact you and 100% of your tuition and fees will be refunded by mail. The refund will take at least two (2) weeks to be processed. Decisions regarding class cancellations will be based on the number of registrations, so please register early!

Social Security Number Policy

To learn why Cecil College collects Social Security Numbers at the time of

registration, visit Admissions & Enrollment at cecil.edu/catalog.

Textbooks

Textbooks for courses are available at the Cecil College Bookstore located in the Technology Center on the North East campus. You may purchase textbooks at the Cecil College Bookstore or another bookstore of your choice. If the course description notes "Textbook required," check with the Bookstore (410-287-5436) for the name of the textbook. Textbooks will not be available from the instructor on the first night of class nor can they be purchased at Elkton Station. It will be your responsibility to purchase your textbook prior to the course to be ready for a successful learning experience.

Cecil College Bookstore Textbook Return Policy

1. No refunds will be given without a receipt.
2. Books must be absolutely free of all markings, either pencil or ink and in original packaging. Do not mark in or open your book until you are sure that it is the correct book for your course and you know that the class will be running.
3. Defective books will be replaced at no charge.
4. Textbooks for non-credit courses may be returned up to one week from the start date of the individual course.

Senior Network

Ages 60+ can enjoy \$5 course fees for all Senior Network classes at Cecil College by joining the network. Membership fees* are based on your place of residence:

Cecil County	\$70/Semester
Out-of-county	\$80/Semester
Out-of-state	\$90/Semester

*prices subject to change

For more information, email learning4life@cecil.edu call 443-907-1378.

Course Delivery Formats

Continuing Education and Workforce Development is offering a variety of course delivery types allowing scheduling flexibility.

In-person - Classes that meet on campus or at locations throughout the community.

Hybrid (H) - Classes that meet in-person periodically with some coursework offered online.

Online/Asynchronous (Online-A)

Online classes with little or no designated meeting days/times, allowing you to study at your convenience.

Online/Synchronous (Online-S) - Online classes that meet virtually with your instructor and classmates on a regularly occurring day/time, allowing for a highly engaging, interactive experience.
