

DUAL ADMISSIONS TRANSFER AGREEMENT
Between
CECIL COLLEGE: *PHYSICAL THERAPY ASSISTANT PROGRAM*
And
HARRISBURG UNIVERSITY OF SCIENCE AND TECHNOLOGY

Admissions:

Harrisburg University of Science and Technology (HU) and Cecil College (CC) agree to coordinate their respective programs for the associate and baccalaureate degrees. Under the Dual Admission Transfer Agreement, CC students will be guaranteed admissions into HU on the condition that they:

- Complete an electronic “Dual Admission Intent” form before completion of no more than 45 college level credits from all colleges/universities attended.
- Graduate from CC with an appropriate Physical Therapy Assistant Associate degree program; and plan to or have acquired a Physical Therapy Assistant license.
- Complete HU’s admission application once the student has completed 45 credits at CC and satisfy all other regular HU admission requirements to include official transcripts and video essay.
- Do not attend another institution of higher education between the time they graduate from CC and enroll at HU.
- A completed application and interview with a HU Admission Counselor is required prior to acceptance.
- All students must be in good standing according to HU policy at the time of admission.
- When program requirements change at HU, CC students who have submitted a letter of intent to enroll at HU will have the option of satisfying “old” program requirements in the same manner as existing HU students. However, this “pre-existing status” is limited to two years from HU’s implementation date of any changes except for when changes are required by an accredited agency. Accrediting agency requirements must be met and are not negotiable.
- Credits earned at or transferred from CC will be limited to 70 credit hours. Students admitted into the Exercise Science program at HU will receive 52 credits once they have completed the Physical Therapy Assistant Associate of Science degree and are a licensed Physical Therapy Assistant.
- With successful completion of MAT 127 - Introduction to Statistics with a 3.0 or better on a 4.0 scale, students will receive an additional 3 credits toward requirements.
- HU agrees to waive diagnostic testing for CC students who have achieved a grade of “C” or better in their college level general education courses in communication and college-level statistics.
- Remedial and orientation courses do not normally fulfill graduation requirements, HU will, on a course-by-course basis, treat transfer credit from CC for courses in remediate and orientation in the same manner as comparable courses at HU.
- CC students transferring to HU will be treated the same as existing HU students of equal class standing when applying for financial aid and in the award and distribution of funds.
- CC students transferring to HU will receive consideration for campus housing on the same basis as existing HU students of equal class standing.
- Upon transferring, CC students will become students of HU and subject to all HU’s policies and procedures including but not limited to those concerning academics and student behavior.
- CC students will receive equal opportunity to pre-register for classes and have access to other student services on the same basis as existing HU students.
